

# CMM-T

## Article

---

Item no.	Description
193609	<b>CMM-T</b> Force gauge with illuminated, graphic LCD display and memory for 372 individual measurements, integrated rechargeable battery, USB-C interface and wireless module for data transmission

## Scope of delivery

---

- Force gauge
- Plug-in power supply unit
- Calibration certificate available via QR code on the device

## Features

---

### Features

- Measuring device with direct evaluation via illuminated LCD display
- Intuitive operation
- Overload protection
- Activation of the measurement automatically or manually
- Automatic averaging
- Graphical representation of the force curve
- Display of standard-relevant measured values
- Internal memory for up to 372 individual measurements
- Integrated battery
- USB and wireless interface for data transfer to mobile device or PC
- Optional, chargeable PC software for logging and archiving the data

- Optional, chargeable PC software and app for logging and archiving data in the CMM-VISION.cloud

## Technical data

---

- Number of memory locations: 372
- Interfaces: USB Bluetooth®
- Temperature (min.) [°C]: 0
- Temperature (max.) [°C]: 40
- Temperature (min./max.) [°C]: 0/40
- Rated current [A]: 0.02
- battery type: Lithium-ion battery (integrated)
- Width [mm]: 80
- Height [mm]: 50
- Depth [mm]: 245
- Weight [kg]: 0.85
- Packing width: 0
- Packing height: 0
- Packing depth/length: 0
- Packing weight: 2.386
- Freight forwarding articles: No
- Customs tariff number: 85363010
- Country of origin 1000: Deutschland
- Garantie: -

## Accessories

---

Item no.	Description
104122	<b>CMM distance set</b> Spacer to maintain the measuring points of 300 and 500 mm for force measurements on vertical doors

## Predecessors

---

Item no.	Description	Discontinuation
75690	<b>KMG-2000-G</b> Force gauge with graphic LCD display and memory for 500 individual measurements, integrated rechargeable battery and USB interface for data transfer	
104121	<b>KMG-Lite</b> Force gauge with numerical LED display, without memory option and interfaces, battery-operated	
166173	<b>KMG-Lite-BT</b> Force gauge with numerical LED display, without memory option, but with Bluetooth interface. Battery operated
